# Hats & Apparel

Work Designs specializes in customized apparel. Whether you are looking for embroidered workwear and uniforms or screenprinted t-shirts, sweatshirts, jackets, or even aprons, we would be delighted to discuss all of our style, color, and customization options with you. Work Designs also offers a variety of colors and styles of baseball caps, visors, knit caps, beanies and other headwear suitable for embroidery. We even offer customizable eyewear and accessories!

The screen printers at Work Designs' custom t-shirt shop have gained a reputation for taking on the most challenging of t-shirt designs and producing exceptional prints. We can accommodate up to eight colors in a single image, allowing for full-color, photographic quality prints.

While we also accept customer-supplied designs, Work Designs employs talented t-shirt artists who understand screen printing and embroidery as well as design. Our designers take part in the printing process from the creation of custom artwork to working with our printers to make sure the end result accurately reflects the customer-approved artwork. Work Designs can help you to understand a range of creative options and how to achieve the exact look and feel that you desire.

# Display Tents & Banners

Work Designs can also design and print custom banners, tents, and tablecloths that are perfect for company events and trade shows. We offer several styles and sizes of tents, including options for half and full walls. There are also many color options available to choose from and we can print on just about any of the fabric surfaces.

Work Designs also offers a number of options for banners, including retractable, roll-up banners and stands. Our full-color banner printing services offer the same crisp, vivid colors and outstanding graphic quality as our other large format printing services, and our vinyl banners use inks designed to stand up to harsh weather conditions. They are therefore ideal for outdoor advertising as well as indoor display!
